119/25

Description

3.2. Lot 1 - Drills, Bits & Blades. - Used throughout the business for the general maintenance and repairs to properties. Historically we have had issues with poor quality products that simply aren't fit for purpose. Please ensure products supplied are of a recognised brand quality. Ie Bosch, Makita and Faithful have all proven to be of good quality. If in doubt, please check if a product/brand would be acceptable. FOC samples may be requested for evaluation. Items found to be of poor quality may be rejected and a better quality alternative supplied at the same price. Requiring a counter service within the City for collections.

3.3. Lot 2 - Fixings - Used throughout the business for the general maintenance and repairs to properties. A counter service within the City for collections is required for this lot to allow for collections.

3.4. Lot 3 - Ironmongery - Used throughout the business for the general maintenance and repairs to properties. Items marked in Red in this lot are specified for fire rating purposes and have been specifically chosen as part of a fire tested door system. These are classed as a critical product range that must be available and of course, not substituted. A counter service within the City for collections is required for this lot to allow for collections.

3.5. Lot 4 - Hand Tools and accessories. - Used by Operatives in all areas of the business. A counter service within the City for collections is required for this lot to allow for collections.

3.6. Lot 5 - Kee klamp. - Used throughout the business for the general maintenance and repairs to properties. A counter service within the City for collections is required for this lot to allow for collections.
