Services

Service category No 1: Maintenance and repair services

Main site or location of works, place of delivery or of performance

FN UK LTD

Phoenix House

Slade Green Road

Erith

DA8 2HY

NUTS code

- UK - United Kingdom

II.1.4) Short description of the contract or purchase(s)

The Dismounted Close Combat project team, part of the UK Ministry of Defence is placing a 10-year contract with FN UK Ltd for the Mid Life Improvement of the Heavy Machine Gun (HMG).

This is because FN UK Ltd are the Original Equipment Manufacturer (OEM) and Design Authority (DA) and are the only economic entity with access to the necessary technical information, knowledge and expertise, for the HMG comprised in this contract. FN UK Ltd are also the only economic entity with the capability and access necessary to provide the required technical support to ensure it complies with the Authority's specification, maintains the operational performance and effectiveness of the weapon system, and

ability to underwrite the integrity of the modifications to the weapons systems as a result of a safety investigation.

II.1.5) Common procurement vocabulary (CPV)

- 50620000 - Repair and maintenance services of firearms and ammunition

Additional CPV code(s)

- 50620000 - Repair and maintenance services of firearms and ammunition

Section IV: Procedure

Type of procedure

Negotiated without publication of a contract notice

Justification for the award of the contract without prior publication of a contract notice

1) Justification for the choice of the negotiated procedure without prior publication of a contract notice

No tenders or no suitable tenders in response to: negotiated procedure competition

All tenders submitted in reply to an open procedure, a restricted procedure or competitive dialogue were irregular or unacceptable. Only those tenderers were included in the negotiations which have satisfied the qualitative selection criteria: no

The periods for the restricted procedure and the negotiated procedure with prior publication of a contract notice are incompatible with the urgency resulting from a crisis: no

Extreme urgency brought about by events unforeseeable by the contracting authority/entity: no

The works/goods/services can be provided only by a particular tenderer for reasons that are:

technical

The contract concerns research and development services other than those referred to in the regulations: no

The products involved are manufactured purely for the purpose of research, experiment, study or development: no

Additional works/deliveries/services are ordered under strict conditions: no

For supplies quoted and purchased on a commodity market: no

New works/services, constituting a repetition of existing works/services: no

Contract related to the provision of air and maritime transport services for the armed forces deployed or to be deployed abroad: no

Explanation:

In accordance with regulation 4 of The Defence and Security Public Contracts (Amendment) (EU Exit) Regulations 2019 (SI 2019/697) this procurement falls to be regulated under the provisions of the Defence and Security Public Contracts Regulations 2011 as amended (in particular by SI 2019/697 and SI 2020/1450). Prior publication of a contract notice in the Official Journal of the European Union is no longer appropriate. It is considered that the award of the contract without prior publication of a contract notice in the UK e-notification service is lawful in accordance with Regulation 16(1)(a)(ii) of the Defence and Security Public Contracts Regulations 2011 for Technical Reasons.

This is because FN UK Ltd are the Original Equipment Manufacturer (OEM) and Design Authority (DA) and are the only economic entity with access to the necessary technical information, knowledge and expertise, for the HMG comprised in this contract. FN UK Ltd are also the only economic entity with the capability and access necessary to provide the required technical support to ensure it complies with the Authority's specification, maintains the operational performance and effectiveness of the weapon system, and ability to underwrite the integrity of the modifications to the weapons systems as a result of a safety investigation.
