Description

Dudley MBC are inviting providers to hear about an upcoming tendering opportunity for a new Supported Living Framework.

The Supported Living Framework will provide specialist support for people 17 ³/₄ years old and above with social care needs and will include separate Lots.

The aim of this event is to provide an outline of the commissioning intentions, for commissioners to understand the interest and the market's capabilities and for potential service providers to gain a wider understanding of the scope, provide feedback and ask questions.

The session will give an overview of the current services provided in Dudley, describe the Council's intentions and visions going forward for the market and explain the procurement

process. The information gathered from this exercise will help shape future proposals including any potential tendering process and associated service specification. For the avoidance of doubt, this stage of the project is not part of a formal procurement process and the Council is not committing, at this stage, to carrying out such a process.

Participation or non-participation in the pre-procurement market engagement process shall not prevent any supplier participating in a potential future procurement, nor is it intended that any information supplied as part of the pre-procurement process shall place any supplier at an advantage in a potential procurement process. Participation in the pre-procurement market engagement procurement process will be at each supplier's own cost. No expense in responding to this process will be reimbursed by the Council. This is not a call for competition.

The virtual provider engagement session will be held via MS Teams between 10am - 11.30m on 24 September 2025 to provide further information about this tender opportunity.

To ensure you receive a link to this event, please confirm attendance by noon on Friday 19 September 2025, by emailing CICommissioning@dudley.gov.uk, by quoting in the subject header 'Dudley Provider Supported Living Market Engagement Event'. Please confirm the name of your organisation and the individual's contact details for each person attending; note a maximum of three representatives from each organisation is permitted.
