Award

Macroeconomic and Markets Database Provider

National Employment Savings Trust (NEST) Corporation

UK6: Contract award notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-056372

Procurement identifier (OCID): ocds-h6vhtk-05451f ([view related notices](#))

Published 12 September 2025, 6:05pm

Scope

Description

Nest requires a centralised data provider that would provide easy access to an extensive universe of relevant data (both from public sources as well as some third party providers), as well as an efficient way of analysing and visualising data using built-in charting tools, and the updating and sharing of charts within and outside our team. Data providers will also have sharing capabilities allowing Nest to export data e.g. into Python to run more sophisticated econometrics analysis.
