Description

We are currently undertaking pre-market engagement to explore options for awarding a contract under the Provider Selection Regime. The requirement relates to the provision of mental health services for children, delivered via an online digital platform.

Through this exercise, we aim to better understand the current market landscape and identify potential providers capable of delivering these services. We are also seeking constructive feedback from suppliers to help shape our procurement approach and refine our requirements.

As part of this process, we would welcome your comments on the draft specification and any other relevant information outlined in the preliminary documents, which can be accessed via the Atamis e-tendering portal under reference: C388929.
