Duty to Consider Lots

As part of the initial project set up and approval stage of the tender process, Saint Cecilia's CofE School discussed with Minerva Procurement Consultancy Services Limited the possibility of splitting the tender into more than one lot/contract. On the basis that school is on one site it was agreed that lots were not appropriate for this tender process.

Full details of the description of the process being used are contained within the documents accompanying this tender.

Stage 1 Conditions of participation with evaluation

Suppliers are invited to submit a Procurement Specific Questionnaire (PSQ) response. Submissions will be evaluated based on the criteria detailed in the PSQ documentation. A maximum of five suppliers will be taken forward to the Invitation to Tender stage of the process. Where less than five suppliers meet the minimum standards, only those that meet the minimum standards will be taken through to the Invitation to Tender stage. Where more than five suppliers meet the minimum standard, those suppliers with the highest scores will proceed to the Invitation to Tender stage.

Stage 2 Invitation to Tender with evaluation

Suppliers shortlisted to the Invitation to Tender (ITT) stage will be required to submit their final tender and will be evaluated on the criteria detailed in the ITT documentation. Envisaged shortlist of the three highest scoring bidders to be invited to:

Stage 3 Presentation Day

Stage 4 Assessment Summaries and Publication of Contract Award Notice (commencing 8 working day standstill period)

Stage 5 Publication of Contract Details Notice

Further details of the CFP can be found in the documentation accompanying this tender.
