Description

The University is seeking a supplier to provide Executive and Academic Governance Review to assess and evaluate the University's current arrangements for supporting Council and Senate decision-making and ensuring effective and transparent decision-making throughout the University.

It will make recommendations for future arrangements to maximise effectiveness and efficiency of governance whilst also demonstrating accountability, transparency and compliance with regulatory and best practice requirements.

This will include governance processes, systems, culture and behaviour; and recommend improvements with regards to governance best practice in higher education, taking into consideration the OfS regulatory framework, CUC guidance and related documentation and codes on best practice in both HE and other sectors.
