Precise information on deadline(s) for review procedures:

Precise information on deadline(s) for review procedures:

The Authority will notify economic operators who submitted a tender or (where no deselection notification has previously been made) applied

to be selected to tender, of its decision to award the framework agreement which notification will contain among other information, a summary

of the reasons why the economic operators was unsuccessful. The notification will incorporate a 'standstill period' of a minimum of 10 clear

calendar days (or a minimum of 15 if the communication method used is not electronic) between the date on which the Authority dispatches the

been entered into are limited to the award of damages.
