The City of Bradford Metropolitan District Council Council, as Lead Commissioner on behalf of itself and the NHS Bradford District and Craven Clinical Commissioning Group, is seeking to establish a Provider List of Residential and Nursing Homes to provide care and support services. The Council wishes to replace its current Integrated Residential and Nursing Care Framework with the Bradford and District Residential and Nursing Care Homes Provider List - a Dynamic Purchasing System operating under the Light Touch Regime, which will create a list of accredited Providers. This system is a more flexible, straight-forward approach for organisations that wish to apply in order to receive business from the Council and CCG. We ask all current and potential providers of Residential and Nursing Care in the Bradford District engage with this Application process.
