C26474

Description

We are seeking to partner with a supplier to continue the production of Tech Radar and its associated research for three (3) new editions. The topics of these reports will be Artificial Intelligence, Science, and a third to be agreed over the course of this contract. We are also expanding the scope to include more thorough lists of notable organisations in those markets, and the production of short videos to accompany the Tech Radar reports to provide a new method of promoting them.
