# Low Loader Transport of Forestry Machinery Framework - Thetford Forest

Forestry Commission

UK4: Tender notice - Procurement Act 2023 - view information about notice types

Notice identifier: 2025/S 000-057305

Procurement identifier (OCID): ocds-h6vhtk-059c2c

Published 17 September 2025, 12:54pm

### Scope

#### Reference

FCCN004065

#### **Description**

This Framework agreement covers the transportation of in-house fleet forestry vehicles around Thetford Forest and occasionally further afield. This requires machinery of the correct specification to load and transport such heavy machinery.

This includes full rear steer low loaders up to 65 tonne pay load and semi low-loaders up 45 tonne pay load which are required at short notice to transport Forestry England forest harvesting machinery to site.

#### Commercial tool

#### Establishes a framework

#### **Total value (estimated)**

- £75,000 excluding VAT
- £90,000 including VAT

Below the relevant threshold

## **Contract dates (estimated)**

- 1 November 2025 to 31 October 2029
- 4 years

### Main procurement category

Services

• 60180000 - Hire of goods-transport vehicles with driver

#### **Contract locations**

• UKH1 - East Anglia

### **Framework**

### Maximum number of suppliers

2

#### Maximum percentage fee charged to suppliers

0%

#### Framework operation description

All Orders are direct awarded following the awards without re-opening competition process defined in Framework Agreement Clause 4.2.

When work is required, the Supplier ranked in first place will be contacted by the Framework Manager and asked to agree to start work within the required timescales, this will be followed up with a formal email request of the work required.

The Supplier will be expected to provide the service in accordance with the prices, delivery times and specifications agreed under this framework. If the Supplier ranked first is unable to undertake the work, the Supplier ranked second will be contacted and asked to agree to start the work within the timescales.

## Award method when using the framework

Without competition

### Contracting authorities that may use the framework

Establishing party only
