Reference

27480

Description

3 no. temporary bus shelters to be fabricated from shipping containers. Specification to include:

- 20ft shipping containers
- Section of front panel removed, leaving 1.1m at the bottom
- Guardrail to be added to top of remaining front panel
- 2 no. side panels to be removed and access ramps added
- Guardrails to be added to either side of both ramps

- Two window holes to be cut out of back panel and Perspex screens added
- Inside bench seating to be secured to back panel
- Solar powered lighting to be added and encased in caging
- Anti-climb roller solution to be added to front section and both side sections of the roof

Delivery to Royal Parade and installation (including to add any necessary packing to accommodate level differences on site and facilitate roof drainage).

Order of delivery to specified locations to be agreed upon contract award.
