WS2213507432

Description

Transport for London is planning to send invitation to potential suppliers to participate in a competitive bidding for manufacture and supply of parts for 8400 quantity of Door Engines for its Central Line fleet of trains.

Contract dates (estimated)

- 30 September 2026 to 29 September 2031
- Possible extension to 29 September 2034

- 8 years

Description of possible extension:

The Door Overhaul project of Central Line is intended to be completed by or before the Contract end date (without the extension). However, in the event of any delays, then the supplier would be expected to support for an additional period as indicated in the Extension end date.
