This is a Provider Selection Regime (PSR) intention to award notice. The awarding of this contract is subject to the Health Care Services (Provider Selection Regime) Regulations 2023.

For the avoidance of doubt, the provisions of the Public Contracts Regulations 2015 do not apply to this award. The publication of this notice marks the start of the standstill period. Representations by providers must be made to the relevant authority by 29th September 2025. This contract has not yet formally been awarded; this notice serves as an intention to award a contract under the competitive process of the PSR.'

Representations should be sent to procurementteammailbox@westminster.gov.uk

The award decision-makers were, in Westminster City Council, the Cabinet Member for Adult Social Care, Public Health and Voluntary Sector, and in Royal Borough of Kensington and Chelsea, the Lead Member for Adult Social Care.

No conflicts of interest were declared.

The assessment was carried out using a weighting of 80% Quality and 20% Commercial (Cost).

The key criteria for quality are listed below:

1. Quality and Innovation - 15%
2. Integration, Collaboration and Service Sustainability - 23%
3. Improving Access, Reducing Health Inequalities and Facilitating Choice - 59%
4. Social Value - 3% (Note -social value elements (e.g. staffing requirements) were also incorporated into the other method statement headings, and weighted accordingly)

These criteria were agreed, and the weightings allocated, to reflect the importance of the core requirements of the service including safeguarding, reducing health inequalities, addressing stigma and shame, and providing support around wider addictions. These criteria, and the specification align with the Councils Children and Young People (CYP) Drugs Strategy which sets out specific objectives for reducing drug use and associated harms among young people.

The assessment process satisfied the Council that the successful provider can deliver the service, with the responses provided against each of the key criteria, providing evidence and confidence that the supplier can meet the requirements of the specification.
