Contract

Warm Homes

East Lindsey District Council

UK7: Contract details notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-057598

Procurement identifier (OCID): ocds-h6vhtk-05093d ([view related notices](#))

Published 18 September 2025, 10:34am

Scope

Description

The works will be located across Boston Borough Council, East Lindsey District Council and South Holland District Council.

Each property must receive a pre and post works Energy Performance Certificate (EPC) which is uploaded to the Open EPC Register. The Council's in-house team of Domestic Energy Assessors will support the undertaking of some of these.

Each property must be subject to a whole-house assessment. Retrofit Plans will then be submitted to the Council for offers to be made to clients. Once provisional agreements are made on the measures to go forward, technical surveys will need to be undertaken alongside any design work e.g. External Wall Insulation. Once complete, batch applications for measures are sent to the Department for Energy Security and Net Zero for approval. Once these are approved, Instructions to Proceed are issued to the Contractors.

Contract 1. Warm Homes

Key performance indicators

Name	Description
Trustmark 1	A Trustmark PAS 2035 Project must be created in the Trustmark Data Warehouse for each home accepted as part of each batch within four weeks of the batch approval date
Trustmark 2	All Trustmark lodgement must be made within 6 weeks of works being completed and each Trustmark PAS 2035 Project must be closed within 6 weeks of works being completed for the household. Any variation will be deemed unacceptable and funding for those homes/measures may be clawed back
Assessment	All properties referred to the contractor should have an initial assessment scheduled within two weeks of the referral or be sent back to the Council
Retrofit Plans	All Retrofit Plans should be returned within two weeks of the initial assessment being undertaken

Name	Description
Technical Survey	Contractors will have a maximum period of four weeks between a technical survey being instructed and full cost assurance being provided to the Council, failure to provide this will result in the council seeking to recover lost cost.
