Description

The Single Source Regulations Office (SSRO) would like to notify you of an upcoming requirement, and by doing so we are keen to understand where the market stands in terms of the requirement below.

This is a market research exercise for the supply of the SSRO's Security and Information Risk Advisor (SIRA) services. Potential Suppliers are invited to provide an overview of their systems and support services that will help inform and shape the SSRO's specification.

Through this Request for Information (RFI), the SSRO wishes to fully understand the market interest in delivering these services and the potential range of service models available for future delivery. The SSRO welcomes Suppliers' input into the process.

This RFI will help the SSRO to refine its requirements and to consider its procurement approach for this contract. No information provided by a potential Supplier in response to this RFI will be carried forward, used, or acknowledged in any way for the purpose of evaluating the potential Supplier, in any subsequent formal procurement process.
