Description

To develop a New Forest Business and Community Digital Skills Initiative, aimed at helping residents, communities, and businesses across the New Forest District make the most of newly installed ultrafast broadband infrastructure. The selected supplier or partnership will develop and deliver a flexible, inclusive digital skills programme that supports socioeconomic outcomes such as improved productivity, digital inclusion, and reduced isolation. The initiative is funded with a £35,000 budget and must be completed by March 2026, with a focus on creating lasting impact through legacy resources, case studies, and potential match funding. See Appendix B - Outcome Specification for further details.
