Planning

2026-2029 Track Fixings - Installation Phase V

Transport for London

UK2: Preliminary market engagement notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-057724

Procurement identifier (OCID): ocds-h6vhtk-059d2f

Published 18 September 2025, 1:58pm

Scope

Description

Track fixings renewal work on the Docklands Light Railway network. The works will replace existing track fixing assemblies to meet requirements given in the tender documents. DLR require Permanent Way contractors experienced in the installation of track fixing components, including holding down bolts, baseplate assemblies, ferrules, and pads / grout pads to replace existing failing components on the DLR's infrastructure.
