VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

Change in length of contract by 12 months (1st December 2024 - 30th November 2025) increasing the lifetime value by £1,240,848.00

VII.2.2) Reasons for modification

Need for additional works, services or supplies by the original contractor/concessionaire.

Description of the economic or technical reasons and the inconvenience or duplication of cost preventing a change of contractor:

Regulation 13 (1) (d)

The modification is made at the discretion of the relevant authority and the modification does not render the contract or framework agreement materially different in character and:

- The cumulative change in the lifetime value of the contract or framework agreement, compared to its value when it was entered into, is under 25%

It is recognised that historic data is not available due to predecessor organisations no longer in existence and pragmatic approach undertaken to determine contract modification thresholds adopting actual payments made in 2024/25, which calculates an estimated 10 month contract value as unable to predict actual payments due to patient demand led service.

There is need for this service to continue while a Competitive Process takes place (<https://www.find-tender.service.gov.uk/Notice/032672-2025>).

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £4,170,984

Total contract value after the modifications

Value excluding VAT: £5,411,832
