BSP000-GEN

## **Description**

The primary objective of this procurement is to appoint a single, capable supplier to deliver a comprehensive, secure, and sustainable solution for the provisioning, delivery, retrieval, and recovery of laptop computers for WRAP staff located across multiple global regions.

The appointed supplier will support WRAP in:

- •Enabling efficient, secure, and zero-touch deployment of devices to end users across WRAP's UK and international locations.
- •Ensuring operational continuity through rapid delivery and device replacement services, including support for dead-on-arrival (DOA) incidents.
- •Maintaining visibility and control of WRAP's device estate through centralised asset

management and reporting.

- •Providing end-to-end lifecycle support, including data-secure recovery, environmental disposal, and residual value realisation.
- •Upholding WRAP's ethical, environmental, and sustainability commitments throughout the supply chain
