Scope

Description

Connexus is seeking a mobile phone network provider to supply and manager mobile voice and data connections for its employees. This tender invites proposals for a service to provide:

Approximately 502 voice and data enabled connections.

Approximately 25 data only connections.

A monthly pooled data allowance of 1 Terabyte across connections.

Note please that the contract is for connections only, no handsets are required.

Geographical coverage and connectivity are key parts of the tender. Connexus operate primarily in the rural counties of Herefordshire and Shropshire. Applicants should demonstrate a strong understanding of the mobile network coverage within these regions including knowledge of areas which potentially weaker signal strength. Proposals should detail the network infrastructure and technologies utilised to ensure reliable service across this geographical area.
