The Framework Agreement will be a single supplier and single lot solution. NEPO may also wish to enter into negotiations with tenderers in line with the requirements of the Competition with Negotiation Procedure. NEPO also reserve the right not to enter into negotiations and award the Framework Agreement on the basis of initial tender. The most economically advantageous tenderer will be awarded the Framework Agreement.

NEPO does not give any guarantee and/or warrant the actual value of the services (if any) which will be placed with the successful supplier by any Contracting Authority using the Framework Agreement pursuant to this process and accepts no liability thereof.

In accordance with the Framework Agreement, each Contracting Authority will enter into a call-off contract. The call-off contract is to be entered into by both the Contracting Authority and successful supplier and will be based on the terms and conditions of the Framework Agreement.
