Scope

Description

Maiden Erlegh Trust has just over 4,250 pupils cross 9 sites in and around Reading. What makes it unique is the fact that it has a very diverse range of schools from large Secondary to small secondary, primary, SEN, PRU and Outreach.

The companies identified from these shortlisting questions to receive the ITT for the Service will then receive a detailed set of requirements. For the purposes of this shortlisting stage bidders should assume that the ITT will include, but is not be limited to;

- A managed connectivity service to connect schools anywhere in England
- A broadband service for each school based on synchronous connectivity
- A 'failover' line
- A firewalled service
- Filtering and security solution compliant with latest KCSIE regulations

- Support and maintenance service
- Full end to end single SLA approach
- Management of any 3rd parties required to provide the service
- Relevant monitoring, management, and reporting
- Full installation and transition service
- Value added services

Technical interface into the Trusts outsourced support provision

Bidders should note the following:

- The Trust will provide a standard contract as part of the ITT Pack
- There is will not be a requirement for TUPE from existing suppliers.
