Description

Preliminary Market Engagement (PME) - LCC NHS Health Checks and LARC Data Processing Solutions

The purpose of this Preliminary Market Engagement (PME) is to gather interest and information from the market and to investigate potential options for a potential procurement described in the PME document.

This will enable the Council to examine the key issues that relate to the opportunities available and refine our approach which will inform the decision-making process that needs to be undertaken prior to any possible future procurement.

This is not an invitation to bid, but PME for a Request for Information (RFI) and no direct

business will be awarded through this PME.

Contract dates (estimated)

- 1 April 2026 to 31 March 2029
- 3 years

Main procurement category

Services

CPV classifications

- 48000000 - Software package and information systems
- 72000000 - IT services: consulting, software development, Internet and support
