Contract

Hired Passenger Transport (Taxi) Open Framework

London Borough of Harrow

UK7: Contract details notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-058067

Procurement identifier (OCID): ocds-h6vhtk-04ef7d ([view related notices](#))

Published 19 September 2025, 11:57am

Scope

Reference

DN766858

Description

The provision of hired passenger transport and ad hoc transport services are for vulnerable children and adults. Services are commissioned by the London Borough of Harrow and will primarily cover the hired passenger transport for Harrow and Brent Special Needs Transport.

Services to be supplied includes over 360 taxi routes, encompassing escorts and a variety of vehicle types, including saloon cars, MPVs, wheelchair-accessible taxis, and minibuses with capacities of up to 16 seats. The number of routes is expected to increase by approximately 3% annually.

The aim is to improve the lives of vulnerable children, young people, and adults, including those with additional needs, and their carers, by providing a safe, secure, sensitive, and reliable transport service for users. The needs of the child or adult are a key factor in the

provision of the service to ensure that Service Users receive personalised and quality assured transport services that respond flexibly to their needs.

Commercial tool

Establishes an open framework

A series of frameworks with substantially the same terms. Awarded suppliers are carried over and new suppliers can bid.

Framework

Open framework scheme end date (estimated)

31 July 2033

Maximum percentage fee charged to suppliers

0%

Framework operation description

Route Allocations - Call off Process

Direct Awards - Direct awards of Emergency placements to the highest ranked framework provider who can meet the specific requirement where; the services (route) to be supplied under the contract are strictly necessary for reasons of extreme and unavoidable urgency, and as a result the contract (route) cannot be awarded on the basis of a mini competition. For the benefit of doubt, urgency is unavoidable if it is not attributable to any act or omission of the Authority and could not have been foreseen by the Authority.

Mini-Competition - Once a specific requirement (route) is identified by the Authority for

services under the Framework, the Authority may circulate a full specification to all the Providers on the Framework.

Providers will have a set period in which to submit their quotations for delivering the specific requirements as set out in the circulated specification. The Authority will issue its award criteria which will be used to award scores to Providers' quotations.

Routes may be awarded based on the most advantageous response (price and quality) or price only. The Harrow and Brent Transport Hub of the Authority that issues the specification will evaluate the quotations submitted by the Providers and then award the contract for the Provider that has the highest score or lowest price.

In the event the award criteria is both price and quality, then the price weighting shall range between 30% to 70% and the quality weighting shall range between 30% to 70%.

In the event the award is to be based on price only, if two or more bids received are within a maximum of £15 per day of each other, the Authority reserves the right not to allocate the route to the lowest bid. The Authority may then allocate the award based on the order of priority as follows:

- I. reasonable distribution of routes among Service Providers
- II. age of vehicle - newer vehicles preferred
- III. fuel type - electric preferred over hybrid, hybrid preferred over petrol, petrol preferred over diesel
- IV. vehicle capacity

Award method when using the framework

Either with or without competition

Contracting authorities that may use the framework

Establishing party only

Contract value

- £133,000,000 excluding VAT
- £159,000,000 including VAT

Above the relevant threshold

Date signed

1 August 2025

Contract dates

- 1 August 2025 to 31 July 2031
- Possible extension to 31 July 2033
- 8 years

Description of possible extension:

The first framework would be for a term of 3 years and the second framework would be for a term of 3 years with an option to extend by 2 years at the discretion of the Council, giving a total of 8 years

When re-opening in year 3, framework providers may be appointed based on their original submission or will have the option to submit a new tender, and new providers may submit to join the Open Framework. Providers will be re-ranked for the second framework.

Redacted Framework Agreement - Please note that the Framework Agreement associated with this notice has been redacted prior to publication.

The supplier's tender submission contains commercially sensitive information and there is an overriding public interest in it being withheld from publication. In accordance with the transparency provisions of Section 94 (1)(B) of the Procurement Act 2023, and following a public interest test, it has been determined that disclosure of this information would be inappropriate.

This decision reflects the nature of the Open Framework. When re-opening in year 3, framework providers may be appointed based on their original submission or will have the option to submit a new tender, and new providers may submit to join the Open Framework under substantially the same award criteria. Consequently, disclosure of the original tender submission could compromise the integrity and fairness of future procurement processes.
