150_25

Description

A national framework for the provision of pest control products and services on a proactive, reactive and emergency basis.

The Framework is divided into Lot 1 (Supply of Pest Control Products), and Lot 2.1 and 2.2 (Proactive and Reactive Pest Control Services plus Emergency Reactive Pest Control Services).

Please refer to the tender documents for further details - the closing date for submission of Tenders is 12:00 (12 noon) on 20 October 2025.

To tender (please proceed to step (e) if an expression of interest has already been completed):

(a) Go to <https://www.eastmidstenders.org/>; (b) Register (if not already registered on

ProContract); (c) Search for tender opportunity '150_25' (via "View Opportunities" from the EastMidsTenders Portal); (d) Express an interest; (e) Download the tender documents (from the ProContract Activity summary screen).

Any questions or clarifications relating to this tender opportunity should be submitted to ESPO as a message on the eProcurement Portal, once an Expression of interest has been completed.

Commercial tool

Establishes a framework

Total value (estimated)

- £10,000,000 including VAT

Above the relevant threshold

Contract dates (estimated)

- 26 November 2025 to 25 November 2028
- Possible extension to 25 November 2029
- 4 years

Description of possible extension:

The framework agreement has the option to extend for up to a further 12 months (under normal circumstances this will be completed in full, and is subject to the performance of the framework).

The total estimated values captured in this notice include the option to extend the framework as noted above.

Main procurement category

Services

Additional procurement category

Goods

CPV classifications

- 24000000 - Chemical products
- 33691000 - Antiparasitic products, insecticides and repellents
- 77231200 - Forest pest control services
- 90922000 - Pest-control services

Contract locations

- UK - United Kingdom
-

Lot 1. Supply of Pest Control Products

Description

The purchase of rodenticides, insecticides, bait trays and traps, pigeon control products & various other miscellaneous pest control products. Due to the hazardous chemical nature of some of the products under this Lot, it is advisable that such products are handled by professionally qualified personnel.

For further details, please refer to the tender documents.

Lot value (estimated)

- £10,000,000 including VAT

Framework lot values may be shared with other lots

Same for all lots

CPV classifications, contract locations and contract dates are shown in the Scope section, because they are the same for all lots.

Lot 2.1. Proactive and Reactive Pest Control Services

Description

On-going pest control service with awarded supplier, who will make a number of routine calls per year and provide high quality professional advice in order to manage pests on site.

For further details, please refer to the tender documents.

Lot value (estimated)

- £10,000,000 including VAT

Framework lot values may be shared with other lots

Same for all lots

CPV classifications, contract locations and contract dates are shown in the Scope section, because they are the same for all lots.

Lot 2.2. Emergency Reactive Pest Control Services

Description

Complete reactive pest control service for emergency requirements, which is on a ranked basis.

For further details, please refer to the tender documents.

Lot value (estimated)

- £10,000,000 including VAT

Framework lot values may be shared with other lots

Same for all lots

CPV classifications, contract locations and contract dates are shown in the Scope section, because they are the same for all lots.

Framework

Maximum number of suppliers

Unlimited

Maximum percentage fee charged to suppliers

3%

Further information about fees

Framework fee is calculated based on the total invoiced value to the customer by the supplier. Framework fee payments will be plus VAT at the prevailing rate.

For further details, please refer to the tender documents.

Framework operation description

Lot 1 is accessible via both call-off without and with competition.

Lot 2.1 is accessible via call-off with competition (further competitive selection process).

Lot 2.2 is accessible via call-off without competition to ranked suppliers.

For call-off with competition (further competitive selection process), an eAuction process may be used to award subsequent call-off contracts following the reopening of competition among the parties to the Framework Agreement.

Please refer to the tender documents for any further details.

ESPO Trading Limited Second Framework:

ESPO has established a commercial trading company, ESPO Trading Limited, whose target clients are third sector organisations such as national and local charities, public sector mutual organisations and other organisations involved in the delivery of services to or for the public sector. The successful Supplier may be asked to enter in to an additional separate framework agreement (the Second Framework) with ESPO Trading Limited on materially similar terms to that found in the tender pack to be entered into by ESPO itself.

Any Second Framework agreement will be a purely commercial agreement and will, for the avoidance of doubt, not be governed by the Procurement Act 2023 or other public procurement legislation. ESPO Trading Limited may enter into the second framework agreement with the successful supplier and make it available to third sector clients who themselves are not required to follow the Procurement Act 2023 or other public

procurement legislation. Accordingly, this is provided for tenderers information only.

Award method when using the framework

Either with or without competition

Contracting authorities that may use the framework

As a Centralised procurement authority as defined in the Procurement Act 2023, the Framework is open for use by Public Bodies (defined at <https://www.espo.org/amfile/file/download/file/9608/>) that also fall into one of the following classifications of user throughout all administrative regions of the UK: Local Authorities; Educational Establishments(including Academies); Central Government Departments and Agencies; Police, Fire & Rescue and Coastguard Emergency Services; Registered Charities; Registered Social Landlords; The Corporate Office of the House of Lords, The Corporate Officer of the House of Commons; or any public body established by or under the Scotland Act 1998 or any Act of the Scottish Parliament. General details on classification of end user establishments and geographical areas are available at: <https://www.espo.org/legal>.
