Award

VFU041-GEN - Long term improvement in environmental data for food

Waste & Resources Action Programme

UK5: Transparency notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-058142

Procurement identifier (OCID): ocds-h6vhtk-059e30

Published 19 September 2025, 2:05pm

Scope

Description

University of Oxford are uniquely positioned to deliver this work because the requirement is to generate data that directly fills gaps in the HESTIA database. As the owner and custodian of this database, Oxford hold the technical expertise, infrastructure, and rights necessary to ensure consistency, accuracy, and integration of the new data. No reasonable alternative provider could undertake this work without access to the database, making a direct award the only viable option.
