Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Trauma Orthopaedic EPR PIN

II.1.2) Main CPV code

- 72000000 - IT services: consulting, software development, Internet and support

II.1.3) Type of contract

Services

II.1.4) Short description

NHS Greater Glasgow & Clyde have need to test the market to understand capabilities and solution availability of functionality associated with a Digital Patient Record within Trauma & Orthopaedics across the Health board

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 72000000 - IT services: consulting, software development, Internet and support

II.2.3) Place of performance

NUTS codes

- UKM82 - Glasgow City

II.2.4) Description of the procurement

NHS Grater Glasgow and Clyde are market testing an effective and innovative digital patient record system that can support ongoing patient care and adapt to new Trauma and Orthopaedic initiatives. A comprehensive system will improve the quality of patient records, eliminate the need for manual paper-based documentation, and encapsulate the full patient record from all members of the care team. It will also allow for better reporting and statistical management information, and the ability to integrate and share patient information with other Trauma & Orthopaedic Units across Scotland to support smooth patient transfer between units.

II.3) Estimated date of publication of contract notice

1 September 2026

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes
