## **Section IV. Procedure**

### **IV.1) Description**

#### **IV.1.1) Type of procedure**

Award of a contract without prior publication of a call for competition in the cases listed below

- The services can be provided only by a particular economic operator for the following reason:
  - absence of competition for technical reasons

Explanation:

The procurement of Fire Risk Assessment services was conducted through the Southeast Consortium Framework (SEC), Lot 5 – Compliance Consultancy. Following the framework's established procedures, the process involved identifying the highest-ranked supplier as per the framework evaluation criteria. In line with the terms and conditions of the SEC framework, the contract was directly awarded to the first-ranked supplier, as the framework allows direct call-offs from the top-ranked provider without the need for a separate mini-competition. This approach ensures compliance with procurement regulations while enabling a swift and efficient appointment of a qualified supplier. The process was therefore fully compliant with the framework's rules, and the award to the first-ranked supplier was entirely consistent with standard practice under the SEC framework.

#### **IV.1.3) Information about a framework agreement or a dynamic purchasing system**
