Tender Clarification Note

We would like to clarify to all potential bidders, regarding the core contract for 22no blocks referred to throughout the tender documents and information. It should be noted that this 22no relates to the initial core work that is being tendered. This 22no blocks may be subject to post-contract variation, leading to approximately 27no blocks being instructed overall. Tenderers should note that the references to 22no blocks throughout the documents, relate to this core work only, and the actual post-contract number of blocks may be approximately 27no, subject to final instruction. Pricing should be based on the 22no at this tender stage.
