- BE - Belgium

The contractor/concessionaire is an SME

No

VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

As advertised SNBTS currently have a total of 17 machines and require to replace 16 machines as part of the initial award. To ensure that procedures can be performed in all SNBTS centres SNBTS will look to award 50% of the number of machines required to each winning bidder in lot 1 & lot 2 SNBTS reserve the right to take up an option of an additional machine at some stage during the contract period.

VII.2.2) Reasons for modification

Need for additional works, services or supplies by the original contractor/concessionaire.

Description of the economic or technical reasons and the inconvenience or duplication of cost preventing a change of contractor:

One additional machine required to replace an ageing piece of equipment.

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £3,751,000

Total contract value after the modifications

Value excluding VAT: £3,838,000
