Scope

Description

We are reaching out to invite you to a collaborative session to help shape a new community-based service in Westminster called Westminster HealthWorks.

Westminster HealthWorks is a new service aiming to improve health and wellbeing

outcomes for residents delivered in the community, by the community. Inspired by the RBKC HealthWorks Enables programme (<https://www.dalgarnotrust.org.uk/our-programmes/healthworks/>), we are now preparing to develop a tailored and enhanced version for Westminster. This service will support and enhance the delivery of existing provision by enabling community-led health and wellbeing initiatives across Westminster, while also strengthening referral pathways into mainstream services. Your insights and experience are vital to ensuring Westminster HealthWorks reflects the needs of our communities and builds on the strengths of local organisations.

We are aiming to go out to tender by December 2025. Between now and then, we will be developing the service specification and want to consult with you on this.

Engagement session details:

· When: Thursday, 2 October between 10am – 11:30am · Location: Microsoft Teams

In this session, we will:

- Introduce the concept and scope of HealthWorks in Westminster
- Share the proposed aims, outcomes, contract length and timelines
- Gather your feedback on designing the specification
- Share more about next engagement and feedback steps for those who would like to apply for the open tender
