Description

Hull City Council (The Authority) is seeking tenders from interested organisations to supply and install Road Markings and thin veneer repairs and remove as and when required within the boundaries of Hull City Council (excluding the A63). Included in these requirements will be the supply and installation of new road markings, anti-skid surfacing and reinstating existing road markings. The tender is an open procedure consisting of a one stage process. The contract is anticipated to commence 1st February 2026 ending by 1st February 2029 with an option to extend for a period of 12 months. The Authority has estimated the value of the Works to be £200,000 per annum. The estimated value is given in good faith to assist tenderers in making their submissions, it should not be interpreted as an undertaking to purchase any goods, services or works to any particular value by the Authority and does not form part of the Contract. Further information is contained within the (Scope of Works/tender documentation). Please ensure all tender submission documents are completed as detailed. Incomplete bids will be eliminated from further process.

Total value (estimated)

- £600,000 excluding VAT
- £720,000 including VAT

Below the relevant threshold

Contract dates (estimated)

- 1 February 2026 to 31 January 2029
- Possible extension to 31 January 2030
- 4 years

Description of possible extension:

The Authority proposes to enter into one Contract for an initial period of three years with the successful Supplier. There will be an option to extend for a period of 1 x 12-month. Any such extension will be at the discretion of the Authority and subject to satisfactory performance. The anticipated service commencement date is 1st February 2026.
