Description

Staffordshire County Council require a Supplier(s) to provide the treatment, via anaerobic digestion, of separated domestic Food Waste, produced by the residents of Staffordshire, trade Food Waste collected by council operated services, and the marketing and/ or disposal of Outputs and Residues from the treatment process. The Supplier's Facility shall be able to accept domestic Food Waste from April 2026.

Staffordshire County Council is the Customer for lots 1a/b/c through to 8a/b/c, as it is the Waste Disposal Authority (WDA) for the WCAs who form those lots. For lot 9a/b/c only, Stoke on Trent City Council, as a Unitary Authority, will be the Customer and the lot area.

There are 3 delivery scenarios for each of the primary delivery points;

A - Council Direct Delivery of the Food Waste to the proposed Treatment Facility,

B - Council delivery of the food waste to a Supplier provided Waste Transfer Station (where the Supplier will take ownership of the food waste and ensure onward haulage to the proposed Treatment Facility),

C - Council delivery of the food waste to a Council provided Waste Transfer Station, where the supplier will collect the waste from and haul to the proposed Treatment Facility).

All scenarios are open for all lots. Scenarios should be separately bid for and therefore separately priced, per lot.

Establishes a framework

Lot 1a. Newcastle Under Lyme - Direct Delivery to Treatment Centre

Description

Newcastle Under Lyme - Direct Delivery to Treatment Centre, is for a service to collect, transfer and treat bulked Food Waste from the Council operated Waste Transfer Station; Knutton Lane Depot at Knutton Lane, Newcastle under Lyme. Food waste has been collected by this local authority for over a decade and operations will continue as per their established practices, with additional roll out of the collection service to flats from March 2026. Please see Appendix 3 for more details.

Lot 1c. Newcastle under Lyme Borough Council; Council

provided transfer station

Description

Newcastle under Lyme Borough Council; Council provided transfer station, is for a service to collect, transfer and treat bulked Food Waste from the Council operated Waste Transfer Station; Knutton Lane Depot at Knutton Lane, Newcastle under Lyme. Food waste has been collected by this local authority for over a decade and operations will continue as per their established practices, with additional roll out of the collection service to flats from March 2026. Please see Appendix 3 for more details.

Lot 3c. East Staffordshire Borough Council; Council provided transfer station

Description

East Staffordshire Borough Council; Council provided transfer station, for the provision of Treatment Facilities to treat Food Waste, with any required transfer station provision, and therefore collection / transfer of bulked waste accordingly, depending on the solution provided by bidders. The local authorities in these lots will direct deliver to the Primary Delivery Point, which may be either a local treatment facility or a WTS if the treatment facility is not local.

Lot 8c. Staffordshire Moorlands District Council; Council provided transfer station

Description

Staffordshire Moorlands District Council; Council provided transfer station, for the provision of Treatment Facilities to treat Food Waste, with any required transfer station provision, and therefore collection / transfer of bulked waste accordingly, depending on the solution provided by bidders. The local authorities in these lots will direct deliver to the Primary Delivery Point, which may be either a local treatment facility or a WTS if the treatment facility is not local.

Lot 9a. Stoke on Trent City Council; Direct delivery to treatment facility

Description

Stoke on Trent City Council; Direct delivery to treatment facility, covers the Unitary Authority of Stoke on Trent City Council, as the geographical area and as the Customer. This council does not currently collect food waste as part of their kerbside service offerings, but will do from the mandatory date of April 2026, and will conduct their own kerbside collections and be responsible for the delivery of the food waste to the primary delivery point.

Lot 9c. Stoke on Trent City Council; Council provided transfer station

Description

Stoke on Trent City Council; Council provided transfer station, covers the Unitary Authority of Stoke on Trent City Council, as the geographical area and as the Customer. This council does not currently collect food waste as part of their kerbside service offerings, but will do from the mandatory date of April 2026, and will conduct their own kerbside collections and be responsible for the delivery of the food waste to the primary delivery point.
