Description

Aston University is inviting tenders to provide Water Management Services on all urinal systems on campus. This will include servicing of flush timers and cleaning of waste systems. This is to ensure the university's facilities are in a good condition and pleasant to use.

The proposed Contract will be for 3 years with an option to extend for a period totalling no more than 2 years. Aston anticipates awarding to a single Tenderer.

Full details including the tender documents can be found on Procontract-
