Scope

Description

RFI for Replacement and Maintenance of NI Water site electronic access system.

The replacement electronic access system will be required to be rolled out across a number of NI Water's sites. Any successful supplier should be able to provide services over the full geographical coverage of Northern Ireland. This will include the ongoing maintenance, repair, like for like replacement and supply of spare parts over the period of the contract.

At present NI Water are seeking to ascertain an initial interest and capability within the market and we may seek to carry out further market engagement including potential supplier meetings, product trials and a tender competition. Please contact sourcing@niwater.com FAO Maria Bunting-McGeown for a copy of the RFI.
