Scope

Reference

T25/0011

Description

Exterior Architectural Lighting Solution for NESST Building North Elevation.

The University is seeking a suitably qualified and experienced supplier to design, install, commission and maintain a permanent exterior architectural lighting solution for the North East Space Skills and Technology Centre (NESST) Building north elevation. The Building is located on Northumbria University's central Newcastle City Campus adjacent to the central motorway.

At this stage we are looking for suppliers to offer up a range of options/solutions in as much detail as possible to help inform a future tender process. The options may range from basic static lighting to more technical video projection ideas. Further details are available on the delta portal Access code: QWJ6C93UN7.
