II.2.11) Information about options

Options: Yes

Description of options

The contract will be for a term of 36 months (three years), with the possibility of extending the term for a period of 24 additional months (two years) beyond the initial contracted duration by agreement between the Authority and the Provider.

II.2.14) Additional information

The Authority may wish to introduce additional services during the lifetime of the contract ("Contract modifications"). Such contract modifications will be contemplated where additional requirements are similar and or complementary to the services already included in the Specification, at any given time. Such expansion would be by the addition of services commissioned by the Authority as named in the Contract Notice. To this end, the Bidder should be aware that after the award of contract, there is a possibility that the successful Bidder may be offered a variation to the contract in accordance with the Health Care Services (Provider Selection Regime) Regulations 2023.

The Authority anticipates there may be a need to expand the number of GPs able to refer into this Community Endoscopy Service within the locality of the Authority. At the time of publishing this notice the Authority is unable to quantify this potential, or state whether this need will be realised.
