Description

We are a Shropshire Council run Day Service for Adults with Learning Disabilities and have been fortunate to gain some funding from the UK Government through the UK Shared Prosperity Fund and would like an area of our site to be revitalised and improved. This would involve pond clearing, ground clearance to incorporate a pathway around the area. Anyone considering quoting would be asked to include the involvement of the individuals who attend the service in the project when safe to do so. All individual's involvement would be supported by staff members.
