Description

There is a requirement to provide Public WC facilities at Thompson Park.

There is an existing building, previously used as a changing room for sports teams that is no longer in use, and this will be utilised to transform into Male and Female WCs and this work will be undertaken by Property Services.

However, the building is not large enough to also incorporate an accessible toilet for use by those with restricted ability.

As such, the requirement is for a modular accessible toilet to be installed on site.
