II.2.14) Additional information

Bidders are required to be a member of the Door and Hardware Federation, or an equivalent body approved by Dundee City Council. Failure to have membership with the Door and Hardware Federation of equivalent may lead to exclusion from the procurement process.

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions

Bidders are required to be a member of the Door and Hardware Federation, or an equivalent body approved by Dundee City Council. Failure to have membership with the Door and Hardware Federation of equivalent may lead to exclusion from the procurement process.

III.1.2) Economic and financial standing

List and brief description of selection criteria

Equifax Score Check

Minimum level(s) of standards possibly required

The Council will utilise Equifax Score check to assess the Economic and financial standing of organisations bidding for contracts. Tenderers (including all participants in a group) are required to have a Score check Score of 35 or above in order to demonstrate their financial strength and stability.

It is recommended that Tenderers review their own Score check score in advance of submitting a Tender Submission. Where the Tenderer does not have a Score check score, or where the Tenderer does not consider that the Score check score reflects their current financial status; the Tenderer may give an explanation within the Tender Submission, together with any relevant supporting alternative evidence which demonstrates its financial strength/stability.

Where the Tenderer is under no obligation to publish accounts and therefore does not have a Score check score, they must provide their audited financial accounts for the previous 2 years as part of their SPD Submission in order that the Council may assess these to determine the suitability of the Tenderer to undertake a contract of this size.

As an alternative to the above requirement but only for bidders who started trading less than 3 years prior to the return date for the Tender response set out below, those bidders must demonstrate adequate financial capacity for the Contract by the following evidence:

A business plan for a minimum 3-year trading period setting out projected annual average turnover;

audited or unaudited (if the company has no legal audit requirement) accounts for any years trading to date, and

letter of support for the bidder's bank setting out the level of financial support available to the business from the bank and for how long that is available.

A bank letter of support should explain the amount and duration of financial support made available to the business by the bank and what information, such as a business plan for the period 01/07/2025 – 31/06/2028, was considered by the bank in deciding to make that support available. These are matters of fact not opinion so should be able to be given by any bank on the authority of their customer. It must be understood, however, that the sufficiency or otherwise of the bank letter can only be judged after submission and assessment of all Questionnaire responses so the provision of as much information as possible is encouraged.

All of this information must be in terms entirely satisfactory to the Purchasing Authority. We reserve the right (but are not obliged) to seek additional clarification and/or supporting information from or about the bidder to satisfy us in this regard, for example, a bank reference.

Where a Tenderer does not meet the minimum financial requirements in its own right and wishes to rely on the financial standing of a parent company, Tenderers should provide a statement that they commit to obtaining a parent company guarantee in the form attached in the Standard Documents Parent Company Guarantee.

Where a consortium bid is received, the Score check score of each consortium member shall be assessed and each must achieve a Score check score of 35 or above.

Where a sub-contractor material to the performance of the Contract or where the Tenderer intends to sub-contract more than 25% of any contract value to a single sub-contractor, the Tenderer may be required to confirm that the sub-contractor(s) has a Score check score of 35 or above. The Council reserves the right to request one copy of all sub-contractor last 3 financial years' audited accounts and details of significant changes since the last financial year end.

III.1.3) Technical and professional ability

Selection criteria as stated in the procurement documents

III.2) Conditions related to the contract

III.2.3) Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract
