Description

Plymouth requires a Community Equipment Service (CES) for adults and children within the Plymouth City Council area or those on the outskirts if registered with a GP in Plymouth.

This service provides equipment relating to a prescribed, clinical need to support a person in their own home. This includes equipment such as beds, mattresses and mobility aids. Equipment may be provided to support someone with a short term need, while they recover from illness, or longer term or permanent ill health. Referrals to the service are made by prescribing organisations such as Livewell Southwest, University Hospitals Plymouth NHS Trust, St Luke's Hospice and Practice Plus Group Hospitals.

CES includes the provision of a range of Core Stock equipment which is most frequently used, more specialist Non-Stock equipment ordered on an ad-hoc basis and Minor Adaptations. It is a requirement that the service is supported by a comprehensive web

based IT platform for the provider and those referring to the service.

A team of Plymouth City Council and Livewell staff have been working together across children's and adult services to enact a contingency plan for the contract. This has included liaison with key partners who rely on the service, including University Hospitals Plymouth and St Lukes'.

The contract is expected to run from 1 October 2025 to 31 January 2029, 3 years, 4 months with a value of £9,100,000 excluding VAT.
