Description

UK4 Tender notice

Cheshire Constabulary would like to partner with a Provider to deliver a 'Drive' Domestic Abuse Perpetrator Intervention across Cheshire for an initial 18- month period. Funding to the PCC for Cheshire has been confirmed for the initial mobilisation and delivery of The Drive Project for the financial years 2025-2026 and 2026-27, however the exact allocation of funding is yet to be advised and in addition, will be pro-rated for year 1.

Each year more than 100,000 people in the UK are at high and imminent risk of being murdered or seriously injured because of domestic abuse. Services rightly focus on meeting the needs of victims, but too often perpetrators are not held to account, and their abusive behaviour continues. Less than 1% of perpetrators get a specialist intervention that might prevent future abusive behaviour and as a result there is a high level of repeat

victimization with the same victim or future partners / family members. To deliver long term sustainable change and reduce the number of victims - we must challenge perpetrators to stop.

The intervention seeks to reduce offending in a high risk, high harm cohort of perpetrators.

The anticipated contract value of £1.6m provided in this notice is based on the maximum annual allocation of funding for a full year of delivery, multiplied up to match the maximum contract duration. Year 1 funding will be pro-rata'd, however the actual amounts for year 1 and year 2 are yet to be confirmed. As this is grant funding, extension for years 3 and/or 4 and values are not guaranteed.

Preliminary market engagement has not been conducted for this procurement, therefore a UK2 preliminary market engagement notice is not applicable.
