Description

The Met Office is looking to let a one year contract, with the option to then extend for a further year. The contract will contribute to the Education Outreach and Early Careers programmes.

There are three elements to the contract requirement:

- An online insights/work experience package for 13-18-year-olds, to go live 14th December 2025. Our existing insights/work experience package has been in use since June 2023.
- An online insights package for post-18s (e.g. university students, career changers and teachers), for launch April 2026. This is a new area of provision.
- Expansion of the post-18 insights package (above) to incorporate online work experience for those aged 18+, for launch October 2026. This is a new area of provision.

Total value (estimated)

- £50,000 excluding VAT
- £60,000 including VAT
