### **Scope**

### **Reference**

QWL252610

### **Description**

QW runs a program of measuring and exploring confidence in qualifications and the qualification system. An important part of this program is an ongoing piece of qualitative research which explores stakeholder confidence in qualifications and the qualification system. The research was initiated in 2015 and since then seven waves have been conducted. With the latest contract now complete, we are tendering for a similar piece of research. The research contract will run for five years and will include three waves of data collection. Data collection will take place approximately once every 18 months. There is an option to extend for a further wave.
