Procedure

Procedure type

Direct award

Direct award justification

- Single supplier - intellectual property or exclusive rights

- Single supplier - technical reasons
- Extreme and unavoidable urgency

There is an imperative around the delivery of service to the c160 legal colleagues in the SLLP and there is an ongoing reliability issue with this system being hosted and managed in the London Borough of Merton infrastructure environment. This in part to the rapid change schedule in place to modernise the LBM technology stack but also due to the clinical environmental requirements.
