Description

The services required are the provision of street sweepings treatment services.

It is anticipated that under new agreements street sweepings will be delivered direct into a provider's facility from Waste Collection Authorities in Lancashire, or delivered by the Lancashire County Council via bulking up operations undertaken at waste transfer stations situated across Lancashire. The exact lotting structure and delivery methods of the requirement is still to be determined.

The treatment of street sweepings by the Provider shall ensure the recovery of reusable materials (e.g. aggregates, organics) is maximised, ensuring any elements of waste residues to landfill is minimised.
