3679

Description

CPI are looking to appoint a suitably experienced Contractor who can provide an automated testing tool and suitably maintain it throughout the lifetime of the contract. CPI expect that the solution will be provided as SaaS and must be able to facilitate SSO.

The automated testing tool must meet all the technical requirements detailed in the Technical Requirements section below. The contractor must note that the solution needs to meet all of the 'must' have requirements, if the solution doesn't meet a 'must' have requirement, the solution will be discounted.
