Update to the date that the tender notice will be published.

Scope

Description

Nuclear Restoration Services (NRS) Limited (Dounreay) is seeking to establish a Framework Agreement to provide scaffolding services to support minor projects on the

Dounreay Site with a single Contractor.

For the purposes of clarity, "minor projects" is defined as call-off contracts up to a value of £200k. The £200k is a guidance and it is recognised that call-off contracts in excess of this value may be awarded through this Framework Agreement.

The duration of the Framework Agreement shall be up to 4 years (2+1+1) from March 2026 to February 2030 with the option to extend for a further 1+1 years following a formal performance review.

The estimated value of call-off contracts that may be placed through the Framework Agreement for the four year duration is £4M, however, NRS Limited (Dounreay) does not commit to any guarantee of any volume of work or any specific projects being awarded by call-off contracts via this Framework Agreement.
