Description

The City of Doncaster Council is looking to establish a Framework for the provision of Domiciliary Care Services within the City of Doncaster Geographical Area.

The Framework will be established under the Light Touch Regime and therefore the council will use the flexibilities this affords the council for example ability to reopen the framework at the council's discretion.

Organisations should note that the Council requires all Providers wishing to join the framework to have a CQC inspection rating of Good or above. Further details can be found in the conditions of participation
